

Workshop List Keep on Crafting Tel. 01284 701101 to book or book online at www.keeponcrafting.co.uk

Date	Title	Tutor	Cost
March 3 rd 10.30am- 3.30pm	Demonstration of the new 3D Embossing Folders by Sheena Douglass, who is a well known designer for Crafters Companion. The first time people saw 3D Embossing Folders they absolutely loved them and these new designs are lovely, I have already had a play! Dot Clark will be showing us some innovative ideas to use these with including the fabulous Pebeo Gilding Wax. Discounted Prices on the day of the Crafters Companion products that Dot uses.	Dot Clark	Free
March 10 th 10am	Dimensional frame with a Sealife Theme. Today you will be creating a 3d frame using sealife air dry moulds with a variety of media. Margaret has created this beautiful piece and you can do the same. All materials provided and you will take your creation home.	Margaret Bracken-bury	£15
March 17 th 10.00am	Following on from a successful workshop in December, Val Roche will be making a project using air dry clay and moulds from Sue Designs, This is fast becoming a very popular type of crafting. These will be mounted onto an embroidery hoop in which a piece of aida fabric will be supported and you will be stamping an image on the fabric All materials will be supplied ,All you have to do is follow Val's instructions!	Val Roche	£15.00
March 24 th 10.00am and 1.30pm	The second of our programme of workshops to be held at the Library in Bury St Edmunds-We are very fortunate to have secured a date in Kay Carley's diary for her to lead two different workshops. Kay has been a designer for Paperartsy Stamps for many years and her stamps sell very well all over the world. She is an incredibly talented artist and designer producing realistic images of nature. Demand for places will be high as we are advertising it widely. All attendees will have a voucher worth 10% off to spend in the shop on that day.	Kay Carley	20.00
March 31 st 10am	Rushanne who works for Stix 2 as a demonstrator will be doing a workshop using their new products alongside Crafters Companion Products and Wow Embossing Powders.	Rushanne Young	£12.00
April 7 th	Free Demonstration of the new flower foam from Leanne Creatief that works with their Dies. The foam is similar to foamarin but is much cheaper to buy. Margaret will be showing you how to use a heat gun and a die cutting machine to mould the foam into lovely embellishments for cards and scrapbook pages.	Margaret Bracken-bury	Free
April 14 th 10.30-3.30	Dot Clark is back with us demonstrating her use of the latest stencils to come out of the Sweet Poppy stable. Dot is on the Sweet Poppy design team and her work with them is regularly displayed both at shows all around the country and on television when Hochanda is hosting the show for Lucy Ellis the owner of Sweet Poppy.	Dot Clark	Free
April 21 st 10.00am & 1pm	We are very excited to have Francoise Read one of the two designers of Woodware stamps with us for the day at the Bury St Edmunds Library. She will be leading a workshop using her own designs and we are expecting to have the full range of the latest stamps on sale then . This is a joint venture with Paula Newman who trades as The Stamp Hut. The workshop will be the same in both morning and afternoon but there is a limit on numbers so that Francoise can give her attention to everyone.	Francoise Read	£20.00
May 5 th	Mica Magic Media. In this workshop you will be using a Press to Impress Stamp Platform to create a project that gives the illusion of having two different images in the same area. This will be achieved by using mica powders, media plates and Izinks dye inks and a brayer. This is a new technique that Rushanne will be teaching us.	Rushanne Young	£12.00
June 9 th 10.00am - 3.30pm	Yet another well known stamp designer Jo Firth Young will be visiting Bury St Edmunds Library to run a full day project. Jo,(known as JOFY) has been designing stamps for Paperartsy for many years. Your project will include the use of the latest products that Jo has designed. Discount Vouchers will be given to attendees for Jofy's products to buy in the shop on the day.	Jo Firth Young.	£40.00
June 16 th 10am - 3.30pm	Christine Emberson, the Uk Ambassador for Spellbinders will be here to demonstrate the brand new Spellbinders Glimmer Hot Foil System which is launching in May,The hot foil stamp machine works in conjunction with the bigshot or any die cutter which cuts the thick dies like the sizziz steel rule dies. You will be able to have a try at using the machine.	Christine Emberson	Free
Sept 8 th 10am and 1.30pm	John Lockwood is returning to do another workshop day at Bury St Edmunds Library for us. John appears regularly on Hochanda and is a popular gentleman crafter. Certainly our customers love him.	J.Lockwood	£25 per class.
