Important information

Although we endeavour to identify flaws and marks on fabric, we are unable to accept responsibility for any we miss. We assume that all fabrics sent to us have been inspected by our clients. All claims for damages and faults must be received in writing by Outliners within 7 days of invoice otherwise liability cannot be accepted.

Alterations

Any alteration required to change a bedspread that differs from the original specification will be chargeable. Please obtain both an agreement to carry out the alteration and a quotation before returning the bedspread. We regret we cannot accept fabric that has been made into another item to make into a bedspread.

- Cutting & pattern matching
- 6oz/200gm polyester flame retardant filling
- Ivory or white poly/cotton lining
- Rounded corners on throwovers
- 1cm machine bound edge (providing material is suitable)

Outline quilting (full)

To create the ultimate quilted effect our highly skilled quilters hand guide the stitch line to follow the design of the material incorporating as much design as necessary to achieve a balanced sumptuous look.

Outline quilting (simple)

By selecting a prominent part of any suitable design a simple outline quilted effect can be achieved.

Corner finishes

Kickpleat corner

Semi-fitted corner

Split corner

Split corner with post

Split corner with footboard

Outline channel

The simplest way to enhance a striped material we will hand guide a stitch line the follow the stripe in the design.

Outline diamond

By grouping together small diamonds or by following each larger diamond and hand guiding the stitchline around the diamonds, this will highlight the design on your material.

Alternatively if the design on the fabric suits stitchlines can be positioned to create a balance of quilting enhancing the design.

Outline square

By grouping together small squares or by following each larger square and hand guiding the stitchline around the squares, this will highlight the design on your material.

Vermicelli quilting

A continual stitch line meanders across the material to create a subtle flat blanket quilted effect in an old traditional style.

Edge finishes

1cm machine bound

1-5cm hand bound

8cm wadded rolled

8cm ruched rolled

8cm wadded flat edge with mitred corner
