Welcome to our 2023 Holidays

Welcome to our 25th Anniversary brochure.

We would like to thank you for your continued support in helping us to achieve this.

We hope you will find this years' holidays just as exciting as in previous years. As usual we pride ourselves on giving you the personal touch with our team of professional and knowledgeable drivers who will transport you in style in our award winning Setras and Mercedes Benz Turismo touring coaches with extra leg room. We are a friendly family run company who specialise in offering inclusive holidays and day trips as well as being available to hire for your own group outings or corporate events, allowing you to relax and enjoy complete peace of mind.

We do advise customers to take out their own travel insurance as unfortunately refusal to refund can offend. You can however sell your holiday on and we will change the names should you need to cancel. In the event that we have to cancel full refunds will be given.

Please note, we are no longer able to accept cheques as we are unable to bank them often enough. Please rest assured that card details are not kept and payments over the phone are keyed directly into the card machine. Perhaps even call into our new purpose-built office and workshop with parking for customers and our coaches.

Janet, Nick and the rest of the Elgar team
