### Part two : vowels:

**a** : **ı** : **o** : **u** (back vowels)

**e** : **i** : **ö** : **ü** (front vowels)

### Part three : strong consonants:

**f** **s** **t** **k** **ç** **ş** **h** **p**

Remember, strong consonants have an effect on a suffix beginning with a “-d” and change it to a “t”. Apply the rule where to locative suffix is used:-

(1) mutfak\_\_\_\_\_ (2) Newark\_\_\_\_\_ (3) tuvalet\_\_\_\_\_

### Part four : alphabet :

a b c ç d e f g ğ h ı i j

k l m n o ö p r s ş t u ü

v y z

**Part five : Locative suffix revisited : and then the plural.**

(1) kasap\_\_\_\_\_ (2) manav\_\_\_\_\_ (3) fırın\_\_\_\_\_

(4) süpermarket\_\_\_\_\_ (5) bakkal\_\_\_\_\_ (6) pastane\_\_\_\_\_

(7) otel\_\_\_\_\_ (8) benzin istasyonu\_\_\_\_\_

(9) mağaza\_\_\_\_\_ (10) postane\_\_\_\_\_

(11) lokanta\_\_\_\_\_

*Now do this exercise again this time giving the plural suffix rather than the locative suffix.*

**Part six : numbers : 0- 100**

**Give me a number :** the student chooses a random number and says the number, then student then types the number in arabic numerals on the keyboard

**Random number test:** Yasemin types a number between 0 and 100 onto the keyboard and the student has to identify the number...
