# Setting **the** standard

Benchmark garments are designed and **built to outperform** the very best in their class - **carefully thought-out** design details, **meticulous attention to manufacturing standards** and the use of **the world's finest fabrics**. Every item in our catalogue is **controlled by our own staff and made in selected factories**. That way, each stage of the operation, from fabric specifying and sourcing through to the finished garment, is controlled by us.

Our exclusive, **Hi-Tex** fabric range is carefully selected from only the best mills worldwide. With our in house fabric technologists we take extra care in the selection of our materials. Only the finest components are used for our trousers to ensure maximum performance.

**Hi-Tex6**

- Workwear fabric

# Garment Care

To keep your Benchmark Garment looking good for longer we recommend that garments are laundered using the following guidelines.

- See product pages for laundry temperature guidelines
- DO NOT USE ANY DETERGENT CONTAINING BLEACH
- Medium heat pressing
- We recommend that all zips are fastened and garments are washed inside out
- Wash light and dark colours separately

## Measuring Guidelines

- Waist Measurements: Measure around the normal waist height that you would wear your trousers, and not over other garments
- Chest Measurements: Loosely Measure around the widest part of your chest. Keep the tape under the arms and around the shoulder blades
- For Coveralls: Wearers of 5’11” and over should order Tall Fit.

# Main Terms and Conditions

Our full terms and condition are available on request.

## Payment terms

- Payment is due by the 15th of the month following the month of delivery unless the company has agreed special terms in writing.

## Non-deliveries and short deliveries

- The company must be advised within 3 days of delivery of any delivery shortages and within 5 days of receipt of invoice of any non-delivery.

## Returned goods

- All orders are final. The company does not offer sale-or-return facilities. Returned garments will not be accepted without prior agreement and, in any event, a re-stocking charge of 20% will apply.

## Carriage and small order terms

- Orders of £250 and over are shipped carriage free (U.K. mainland only). Orders of under £250 incur a carriage charge.
- Offshore deliveries are charged at cost.

## V.A.T.

- All prices quoted exclude Value Added Tax.

## Samples

- Samples are readily available on request and are charged at unit price plus carriage of £6.95. All samples are nonreturnable. Sizes are not guaranteed.

## Delivery

- We normally despatch in-stock orders on the day we receive them provided that the order is received before 2pm. Special delivery services, including before 10am, Saturday delivery etc. are available at extra cost, on request.

## Specification, sizes and colours

- All specifications and sizes shown in our catalogue are for guidance only. Colours are only as accurate as printing processes allow.

## Reservation of title

- All goods remain the property of Benchmark until paid for in full.

## Processed garments

- Please note that garments that have been embroidered, printed, washed or worn or processed in any way, cannot be returned under any circumstances. Please check your garments before processing them.
