Meet the team

LNB Towbars & Vehicle Extras Limited are Bristol's No 1. Specialist towbar fitting centre.

From our humble beginnings in 2007, LNB Towbars has strongly focussed on providing the best quality products, best quality workmanship, and best quality customer service.

Following our 'Quality, Quality, Quality... No exceptions' motto to the letter has been our recipe for success.

We are extremely proud that our customers trust us with their precious vehicles again and again, and that they recommend their friends and family to us.

LNB Towbars is still a family business, and currently has three family members working in the company, although we like to think of the whole team, as our LNB Towbars family.

The workshop team consist of trained technicians with a wealth of experience and knowledge, backed by a number of systems in place to ensure that checks and double checks are carried out to ensure the very highest standards are always maintained.

Whether your car is a Rolls Royce or a Vauxhall Corsa, all our customers and their cars receive the same level of care. Try us you won't be disappointed.

Our facilities have improved over the years, growing from one unit, to two units, and then a third. Adding to our output with more workshop space, but also adding a comfortable waiting room, and the convenience of free courtesy cars.

Our expansion continued with the move to our new high quality units at Aztec West in 2018.

Premier Towbar & Car Accessory Fitting Centre

If your searching for high quality towbar fitting in the Bristol area, look no further.

LNB Towbars & Vehicle Extras are Bristol's No.1 Towbar Fitting Specialists.

Our fully trained, experienced and insured technicians have a wealth of towbar fitting knowledge, combined with our quality control procedures means your car receives the very best care and workmanship every time.

We have all the latest diagnostic coding equipment to ensure that all the correct ECU modules and modes are activated, free with every towbar fitting.

LNB Towbars are proud to be Bristol's first and only 'Witter & Westfalia Approved Service Centre'.

LNB Towbars are also a 'Thule Partner', however we supply and fit towbars and related equipment from all the leading manufacturers.

LNB Towbars are also one of the country's leading specialists in motorhome towbars.

Importing from Holland, Germany, Spain and of course the UK, we carry a huge stock of towbars to fit most motorhomes.

Parking Sensors

LNB Towbars supply and install high quality parking sensors.

We use the best brands on the market for reliability, accuracy and support, to ensure once fitted you will not need to return until you buy your next car.

We offer flush mounted factory fit style, colour coded parking sensors, front or rear.

Or traditional button style sensors in standard black or colour coded to match the cars exact colour.

Our colour coded sensors are professionally painted in the body shop and dried in an oven for a perfect unblemished finish.

Front or Rear, car, van or motorhome we've got it covered.

Avoid those expensive knocks and bumps, give us a call instead.

Bike Racks

LNB Towbars are a Thule Partner so can competitively provide all Thule bike racks in the range.

We also supply high quality bike racks from other carefully chosen manufacturers, offering choice, quality and value. LNB Towbars carry most bike racks in stock and have a showroom allowing you to see in person the different products and their features and compare them to ensure you make the right purchase for your needs.

The most popular bike racks we sell are towbar mounted, platform style carriers.

Whether you are a professional cyclist, family, or an occasional cyclist, let us help you to choose the right bicycle carrier for you.

Our experienced staff will guide you through the different types, options and features to help you narrow down to exactly what you need.

LNB Towbars supply Thule roof bars and accessories for all your leisure needs.

Whether it's to carry your watersports craft, a roof box or bicycles, we've got it covered.

So all you have to do is set off and enjoy your next adventure.

Or if your application is for more rugged use on a commercial vehicle, LNB Towbars are a **Rhino Products official stockist and approved fitting centre.**

We can supply and fit Rhino roof bars, roof rack systems, rear door ladders, ladder stow systems and more.

For all your commercial needs our skilled team are happy to give you a quote.
