

St. Anne's 100 Club

Our new 100 Club, which is being launched at the beginning of December, gives you a chance to win a 1st prize of £100 and a 2nd prize of £25 in our monthly draw! Here's how it works:

You pay £48.00 annually or £4.00 per month, you will be allocated one number...to increase your chance of winning, you can buy more than one number!

You can pay by standing order, cheque or monthly envelopes.

On the last Saturday or Sunday of each month, 2 numbers will be drawn out and the prizes awarded.

The money raised will be used for redecoration of the church interior, upgrading of the toilet area and flower room and to renew the lighting in the church.

Forms are available in Church or on the website:

MAKE MORE MONEY FOR YOUR PARISH GIFT AID IT!

Gift Aid allows UK charities to claim back the basic rate tax already paid on donations by the donor. This means we can claim back from the government on your behalf, 25p for every £1 donated, boosting the value of your donation by a quarter.

Gift Aid Organiser: Margaret Swift
email: stannesbuxton@gmail.com

Please be aware that the amount you give is wholly confidential, known only to the parish gift aid administrator, who is Margaret Swift, and to the diocesan gift aid office as they submit the formal repayment claim.

The good news.....

.....is that our gift-aid has increased by £4100 and there has also been an big increase in the number of parishioners who are donating by standing order, so a really big thank-you to all those who gift aid their offertory donations and those donating by standing order.

The bad news.....

....is that sadly we have lost 3 or 4 of our most generous parishioners in this past year which has had a big effect on our offertory income

Thankyou for all you have done and are still doing. We appreciate all you do!

What about the future?

Our costs continue to rise and our buildings continue to need renovation and maintenance.

We need to think creatively about how we are going to manage these demands in a climate of rising costs and declining numbers in our parish.

In light of the proposals for the High Peak Deanery, how are we going to manage

Is there more we can we do ?

- ◆ Please review the amount you currently contribute to the offertory income.
- ◆ If you pay by standing order already, check that your standing order is still current, and that your donation is being correctly processed.
- ◆ If you are a tax payer, and you haven't done so already, please sign a gift aid declaration, and let the Government increase our parish income
- ◆ Please consider leaving a legacy to the parish in your will
