

Prayers in this time of need

SECAM, the Symposium of the Episcopal Conferences in Africa and Madagascar, has suggested the following prayer for all those affected by the coronavirus:

Almighty and merciful Father, who show your love to all your creation.

We come before you asking for a quick control of the Coronavirus currently ravaging our world.

Hear graciously the prayers we make for those affected by the virus in various parts of the world.

Grant healing to the sick, eternal life to the dead and consolation to the bereaved families.

We pray that an effective medicine to combat the sickness be speedily found.

We pray for the relevant governments and health authorities that they take appropriate steps for the good of the people.

Look upon us in your mercy and forgive us our failings. Amen.

"A light that shines in the dark, a light that darkness could not overpower."

John 1:5

Loving, ever living and compassionate God,

You understand the pain of loss, the heartache of bereavement,

May we hold in our hearts all those whose families or friends have died.

You are a light that shines in the darkest times,

Guide us and heal us in our sickness and sorrow.

You comfort us in times of fear,

May we comfort each other, even as we keep apart.

You console and lead us in times of doubt and confusion,

May we follow the light of your love and spread hope.

You move our hearts to acts of generosity,

May we be led to share what we have with those in need.

God of life,

We thank you for the signs of your light in the midst of our darkness,

May we be signs of your compassion in the heart of your world.

Amen.
